TREE OF LIFE MISSIONARY NETWORK LIMITED

REPORT OF THE DIRECTORS

The directors have pleasure in submitting their annual report together with the audited financial statements for the year ended 31st December, 2017.

Principal activities

The principal activities of the Association are to spread the Gospel of Jesus Christ.

The Association has a branch of Tree of life Missionary Network Active Mission Church under the sole control and ownership of the Association.

Financial statements

The results of the Association for the year ended 31st December, 2017 and the state of affairs of the Association as at that date are set out in the financial statements on pages 4 to 10.

Property, plant and equipment

Details of movements during the year in the property, plant and equipment to the Association are set out in note 6 to the financial statements.

Charitable donations

Donations made by the Association during the year for charitable purposes amounting to HK\$2,233,772 (2016: HK\$1,521,768).

Directors

The directors of the Association during the year and up to the date of this report are:

Yu Wai Kwan

Ma Wai Pui

Subsequent to the statement of financial position, Lao Sophea was appointed on 1st June, 2018 and Yu Wai Kwan resigned on 31st December, 2018 as director of the Association. In accordance with the Association's articles of Association, all directors shall retire from office and, being eligible, offer themselves for re-election.

Directors' interests in contracts

No contract of significance in relation to the Association's business to which the Association was a party, and in which a director of the Association had a material interest, subsisted at the end of the year or at any time during the year.

Management contracts

No substantial contracts concerning the management and administration of the Association were entered into or existed during the year.

Auditor

A resolution for the reappointment of K. L. Lam, C.P.A. (Practising), as auditor of the Association is to be proposed at the forthcoming annual general meeting.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TREE OF LIFE MISSIONARY NETWORK LIMITED

(incorporated in Hong Kong with limited by guarantee)

Disclaimer of opinion

I was engaged to audit the financial statements of Tree of Life Missionary Network Limited ("Association") set out on pages 4 to 10, which comprise the statement of financial position as at 31st December, 2017, and the statement of income and changes in general fund for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

I do not express an opinion on the financial statements of the Association. Because of the significance of the matter described in the basis for disclaimer of opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements. In all other respects, in my opinion the financial statements have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for disclaimer of opinion

The evidence available to me was limited because there were no sufficient title documents registered for the land and buildings in Cambodia as mentioned in Note 6 to the financial statements. Therefore, there were no practicable alternative auditing procedures that I could apply to ascertain the ownership and the net book value of the overseas land and buildings of HK\$2,721,044, the reasonableness for relevant depreciation of HK\$56,688 made during the year and the consequential effects upon the result for the year and statement of the financial position at 31st December, 2017.

Other information

The directors are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the directors' report set out on page 1 and detailed income statement set out on page 11, but does not include the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work I have performed on the other information obtained prior to the date of this auditor's report, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of directors and those charged with governance for the financial statements

The directors are responsible for the preparation of the financial statements in accordance with the SME-FRS issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TREE OF LIFE MISSIONARY NETWORK LIMITED

(incorporated in Hong Kong with limited liability)

Auditor's responsibilities for the audit of the financial statements

My responsibility is to conduct an audit of the Association's financial statements in accordance with Hong Kong Standards on Auditing ("HKSA's") and with reference to Practice Note 900 (Revised), Audit of Financial Statements Prepared in Accordance with the SME-FRS issued by the HKICPA and issue an auditor's report. However, because of the matter described in the basis for disclaimer of opinion section of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

I am independent of the Association in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and I have fulfilled my other ethical responsibilities in accordance with the Code.

As part of an audit in accordance with HKSA's, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

TREE OF LIFE MISSIONARY NETWORK LIMITED

ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS

(Expressed in Hong Kong dollars)

1. General

The Association was incorporated in Hong Kong under the Companies Ordinance and is limited by guarantee and not having a share capital. Its registered office and principal place of business is situated at Room 533, 5/F, Shing Yip Industrial Building, 19-21 Shing Yip Street, Kwun Tong, Kowloon, Hong Kong.

The principal activities of the Association are to spread the Gospel of Jesus Christ. The Association has a branch of Tree of life Missionary Network Active Mission Church under the sole control and ownership of the Association.

2. Summary of significant accounting policies

Basis of preparation of the financial statements

The Association qualifies for the reporting exemption as a small private company under section 359(1)(a) of the Hong Kong Companies Ordinance, Cap. 622 and is therefore entitled to prepare and present its financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standard ("SME-FRS") issued by the Hong Kong Institute of Certified Public Accountants. These financial statements comply with the SME-FRS and have been prepared under the accrual basis of accounting and on the basis that the Association is a going concern basis. The measurement base adopted is the historical cost convention.

(a) Revenue recognition

Revenue is recognized when the amount can be measured reliably and when it is probable that the economic benefits associated with the transaction will flow to Association.

- (i) Donations received is recognised upon receipt.
- (ii) Interest income is recognised as it accrues using the effective interest method.

(b) Property, plant and equipment

Property, plant and equipment are stated in the statement of financial position at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is calculated to write off the cost of plant and equipment on a systematic basis over its estimated useful life using the straight line method. The principal annual rate used for depreciation are as follows:

Overseas land and buildings	2%
Leasehold improvements	20%
Furniture, fixtures and equipment	20%

Gains or losses arising from the retirement or disposal of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of comprehensive income on the date of retirement or disposal.

2. Summary of significant accounting policies (continued)

(c) Accounts receivable

Accounts receivable are recognized initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of accounts receivables is established when there is objective evidence that the Association will not be able to collect all amounts due according to the original terms of the receivables.

(d) Accounts payable

Accounts payable are recognized initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

(e) Impairment of assets

At each reporting date, property, plant and equipment are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If an asset's carrying amount exceeds its recoverable amount, an impairment loss is recognized immediately in the income statement.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is recognized immediately in the income statement.

(f) Operating leases

Leases where substantially all the risks and rewards of ownership of assets are not transferred to the lessee are accounted for as operating leases. Annual rents applicable to such operating leases are charged to the income statement on a straight-line basis over the lease term.

(g) Translation and balances

Foreign currency transactions are translated into the functional currency using the foreign exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transaction and from the translation at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in profit or loss within "finance costs". All other foreign exchange gains and losses are presented in profit or loss within "other income" or "other expenses".

(h) Employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

5. Directors' remuneration
